## **Note to Financial Statements**

---

### ***BASIS OF PRESENTATION:***

The unaudited financial statements have been prepared by Metaline Mining & Leasing Company (the Company), pursuant to the rules and regulations of the Securities and Exchange Commission (the SEC). Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been omitted pursuant to such SEC rules and regulations. These financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004, which was filed April 18, 2005. In the opinion of management of the Company, the foregoing statements contain all adjustments necessary to present fairly the financial position of the Company as of March 31, 2005, and its results of operations for the three-month periods ended March 31, 2005 and 2004, and its cash flows for the three-month periods ended March 31, 2005 and 2004. The interim results reflected in the foregoing financial statements are not considered indicative of the results expected for the full fiscal year.

### ***Pending Stock Issuance:***

On March 28, 2005, the Company completed a private placement of 1,500,000 special warrants at a price of \$0.10 per special warrant. Each special warrant shall automatically be converted into one share of the Company's common stock upon the increase of the Company's capitalization sufficient to permit the conversion of the warrants. In the event that the special warrants have not been converted on or before July 30, 2005, the warrant holders may, but are not required to, rescind their purchase without penalty to the Company. The Company received gross proceeds of \$150,000 from the offering.

## **Item 2. Management's Discussion and Analysis or Plan of Operation**

### Plan of Operation

The Company intends to engage in the exploration, development, and if warranted, the mining of properties containing silver, gold, and associated based metals. The Company does not have an interest in any properties on which it intends to conduct mineral exploration. The Company has engaged the services of consultants to assist in the identification of mineral properties for possible acquisition.

We do not currently have any employees and anticipate utilizing the services of consultants to accomplish our plan of operation. We currently have sufficient resources to meet our financial obligations for the next twelve months.

## **Item 3. Controls and Procedures**

Within the 90 days prior to the date of this report, the company carried out an evaluation, under the supervision and with the participation of the company's management, including the company's principal executive officer and principal financial officer, of the effectiveness of the design and operation of the company's disclosure controls and procedures pursuant to Exchange Act Rule 13a-14. Based upon that evaluation, the principal executive officer and principal financial officer concluded that the company's disclosure controls and procedures are effective in timely alerting them to material information relating to the company required to be included in the company's periodic SEC filings.

## **PART II OTHER INFORMATION**
